# Target School Description due by 3PM 10/22

- This assignment is designed to help you understand the governance arrangements for American public schools. Choose a public elementary school anywhere in the United States **that you have not attended**.
- In 3 to 4 pages (double-spaced), summarize:
  - descriptive information about the school's population;
  - descriptive information about the school's finances;
  - descriptive information about the school's governance arrangements;
  - descriptive information about the school's educational programs and academic performance;
  - descriptive information about the school system in which the school operates;
  - descriptive information about the community in which the school operates.

Where should I start?
